Confirmation

Newly designed, the ProSomnus [PH] Sleep Device has the only dual arm advancement, is FDA cleared, Medicare E0486 verified and designed to provide a better experience for all patients. Incorporating the ProSomnus precision OAT platform, ProSomnus [PH] offers the best reliability for a Herbst-style advancement mechanism providing 7.0mm total titration. ProSomnus [PH] provides greater comfort, durability, smaller overall volume, ease of use and efficiency over predicate Herbst-style devices.
